

I understand that the Consumer Bankers Association (CBA) is attempting to weaken Indiana's Telephone Privacy Law. Please do NOT impose the federal "established business relationship" exemption on Indiana. They have the US Mail to get their unwanted messages out. Surely, all the junk mail I get and throw away is payment enough in doing business with these companies. Please respect our privacy. Each individual made a decision whether they wanted on the no-call list and signed up. It was not automatic just because we lived in Indiana.
